

Tangram parte interna do envelope

Tangram

É um jogo de quebra-cabeça chinês com 7 formas geométricas que, juntas, podem formar várias figuras

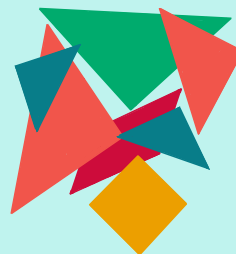

Este tangram nos conta sobre a importância da água para todas as formas de vida no planeta.

 Vamos começar a jogar? 

 Recorte as formas geométricas

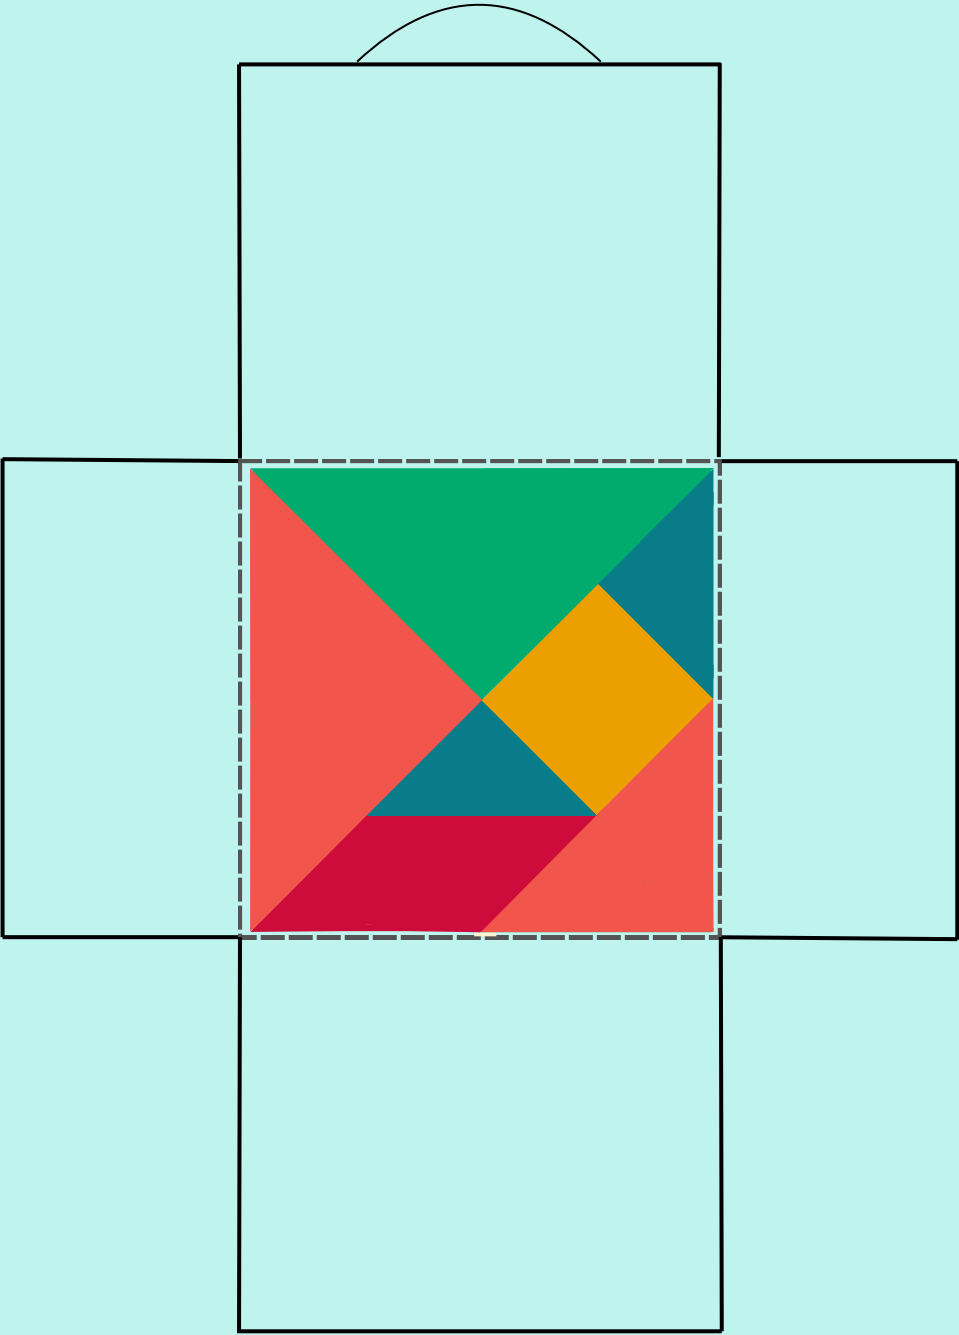

Embaralhe as formas

 e se divirta montando as figuras!

Tangram do tamanho dessa parte do envelope, pois será guardado dessa forma
